The Pinnacle's helical worm gear motor is the most efficient motor on the market. Giving you up to 40 trips during a power outage and reducing the frequency of replacing batteries.

Optional automatic power folding rail to keep the rail from sticking out past the bottom step.

All equipment installed by experienced Options HME Technicians includes a one-year warranty on labor. After that one-year, Options HME will be there, should your equipment need service. Just like we have been since 2007.

Harmar manufactures stair lifts and wheelchair lifts at their facilities in Lake Winnebago, Missouri and Sarasota, Florida.
